WELCOME MIRO!

We'd like to welcome our new Operations & Outreach Coordinator Miro Tidswell. Miro brings a wealth of knowledge and enthusiasm to the role. She will be connecting with businesses to try and find matches for Buzz participants to gain different real world work experiences. We now have a full team, ready to help your young adult transition towards meaningful employment.

What a fantastic morning we had last Friday 31st July, welcoming students from Nayland College to The Buzz Nelson! They had opportunity to experience volunteering firsthand – helping The Buzz team and volunteers sort and organise CDs for the ReStore shop. Thank you to the students for their amazing mahi and bringing such enthusiasm and energy to the morning.

Graduation News - We are delighted to announce that Sarah Ewers recently graduated, she hopes to set up a baking business. Leiv will be graduating from the Buzz on 21st August. Leiv will be moving into a role at Woolworths Trafalgar Park. Well done Leiv!

Thanks again to our wonderful funders, without whom we couldn't keep the Buzz up and running.
